ANNEX

Letter dated 14 July 1995 from the Prime Minister of Bosnia and Herzegovina addressed to the Secretary-General

In connection with the tragedy of the evicted people of Srebrenica, whose exodus to Tuzla is currently in progress, we demand that the following measures be undertaken instantly:

1. To have Tuzla Airport opened and an airlift operation established immediately, to provide essential food, clothing and medical supplies, as well as temporary shelters, for the refugees;

2. To prepare a plan for the accommodation of the evicted population from the United Nations "safe area", which would secure their well-being until the final settlement of the crisis. We believe that a separate action plan is needed, with purpose-specific funds to be contributed at a special pledging conference, or by some more appropriate mode of funding.

In view of the gravity of the situation, your urgent reaction is expected.

(Signed) Dr. Haris SILAJDŽIĆ
